## Premium Seat with Dynamic Damping System<sup>®</sup>

# MAXIMO® XT EVOLUTION DYNAMIC

## Technical data

### Premiumseat

The Maximo XT Evolution Dynamic with Dynamic Damping System raises the bar for comfortable seating in passive suspension seats. The adaptive back support Dualmotion lets the upper backrest follow the driver's rotational movements and protects his or her back while ensuring optimum vision. With the adjustable side support in the backrest the seat can be adjusted even more individually to the driver's body. The active weight adjustment fully automatically adjusts the seat to the driver's weight. An active seat climate system with removal of body moisture additionally enhances comfort. The Maximo XT Evolution Dynamic features a wider suspension for use in combination with heavy multifunctional armrests (not included).

### Features

#### MAXIMO® XT EVOLUTION DYNAMIC

ARTICLE NO.	
Fabric	1388488
<b>STANDARD FEATURES</b>	
1 Document box	●
APS (Automatic positioning system)	●
2 Armrest left, adjustable angle, 80 x 380 mm	●
Shock absorber automatic	●
