# ROADTIGER® STANDARD

The first steps

# ROADTIGER® STANDARD

## Technical data

### The first steps

The ROADTIGER Standard features a pneumatic suspension system with automatic weight adjustment. It also comes with a fore/aft isolator, lumbar support and a finely adjustable backrest. The seat tilt adjustment and adjustable seat cushion depth ensure ergonomic comfort whilst sitting even in the entry level.

Pneumatic suspension

Pneumatic lumbar support

Automatic weight adjustment

Adjustable shock absorber

Fore/aft isolator
