

The product shown may differ from standard configuration.

TOUREA® CLIMATE

Comfort seat with active seat climate system

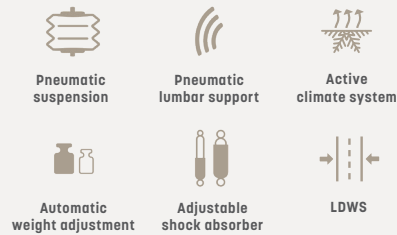

TOUREA® CLIMATE

Technical Data

The perfect partner for the long haul.

In addition to its other comfort features, the TOUREA Climate offers perfect seating comfort with its active climate system. On hot days, body moisture is removed and the seat surface remains dry. On cold days, the seat heating offers pleasant warmth. The TOUREA Climate is optionally available with turntable and lane departure warning system (LDWS).
